Michelin: sterren x 50, Bib=20

Lekker: 1=100, 2=99, 3=98 etc (+10 voor top100, 5 punten voor drempel)

GaultMillau: punten x 5. Alle bedrijven v.a. 16, of ook andere notering die recht geeft op plek in Superlijst. (Een 0 betekent notering zonder score)

Grootspraak: punten x 5. Alle bedrijven met 8 of hoger, of ook andere notering die recht geeft op plek in Superlijst. (Een 0 betekent notering zonder score.)

Bij gelijk puntenaantal geven scores voor afzonderlijke gidsen in bovenstaande volgorde de doorslag.

Als er dan nog geen uitsluitel is, bepaalt de positie vorig jaar de volgorde, bij nieuwe zaken het alfabet (eerst op plaats).

Gemarkeerde restaurants keren volgend jaar niet terug in de Superlijst (tenzij gidsnotering daar aanleiding voor geeft)
